Acceptance letter

Abstract ID: C30005-A

Abstract Title: Face Generation Using Deep Covolutional Generative Adversarial Network

Dear Haining Tan, Siyi Lyu and Wenchang Gao,

With sincerest congratulations to inform you that based on the recommendations of the reviewers and the Technical Program Committees, your abstract identified above has been accepted for **oral presentation** by 2021 IEEE Asia Conference on Information Engineering (ACIE 2021).

The submissions of ACIE 2021 are peer reviewed by International experts and your paper will be on the schedule of conference presentation program after successful registration.

Hereby, the conference committee warmly invites you to present your work at ACIE 2021 in Sanya, China during January 29-31, 2021.

For more information on the conference, please check the ACIE 2021 website at: http://acie.org/.

Your Sincerely,

ACIE Organizing Committee
Sanya, China | January 29-31, 2021
